## Invitation

### for the participation in the 1<sup>st</sup> Panhellenic Sectoral Exhibition of Aromatic & Medicinal Plants and their Products

The Chamber of Kozani invites you to participate, with your own rented booth, in the "**1<sup>st</sup> Panhellenic Sectoral Exhibition of Aromatic and Medicinal Plants and their Products**", which will be held in Kozani, the Prefecture with the largest number of cultivated acres of aromatic and medicinal plants in Greece (including red saffron, roses, lavender, mountain tea, oregano, sage, etc.) from **19<sup>th</sup> to 21<sup>st</sup> October 2018**, at the Exhibition Centre, in the Municipal District of Koila.

The Chamber of Kozani, the Region of Western Macedonia, the Municipality of Kozani, and the Chambers of Grevena, Kastoria and Florina, in order to strengthen this trend, organize this sectoral exhibition at the same time with a scientific **Conference** under the topic "***The richness of the Greek Biodiversity as a factor of Development for the country.***"

The exhibition and the conference aim to be an annual event and a point of reference for the latest news regarding the aromatic and medicinal plant sector, for the market and the scientific community.

From its very first year, in this important event will participate leading scientists and companies of Greece, EU countries and Asia.

In the exhibition of Kozani a large number of exhibitors and commercial visitors will have the chance to discuss about issues that interest them.

In a short time-frame, the visitors will be able to meet a large number of professional producers and productive companies, which will present their branded, certified and high quality products with the support of the exhibition and the Ministry of Rural Development and Food.

The exhibitors and their products will meet the necessary requirements of legality, certified quality and professionalism.

Likewise, the commercial visitors will meet the conditions of legality, credibility and professionalism.

The cost of participation with a booth will be 50.00 euro/sq.m. plus VAT. (The rent for the members of the Chambers of Western Macedonia will be subsidized 50%)

It should be mentioned that the character of the exhibition will be professional and will not become any retail sales.

Information for the participation of producers and companies:  
Chamber of Kozani, tel. 24610 41693 (Ms. Doussiou & Ms. Karakoulaki).  
Exhibition Centre of Kozani, tel. 24610 45977.
